

Our Lady of the Assumption School

Learning Inspired by Faith and Excellence

Dear Parents of Prospective Students,

It is with pleasure that I welcome you on your visit to Our Lady of the Assumption School. I am proud to be the principal of such a wonderful school and hope that on your tour, you will experience what makes our school so special.

Our goal is to provide an education for your child that fosters academic excellence supported by a curriculum that is standards based and enhanced by technology.

By attending a Catholic school your child will have the daily opportunity to explore and practice their faith. In learning about our faith, even if non-Catholic, they will learn values that will have a life long impact in their lives. For example, our out-reach activities of food, toy, and coat drives and collections for specific needs of community members enrich our children as well as others. Our motto is "Learning Inspired by Faith and Excellence," a statement that we aspire to everyday.

We are very fortunate to have dedicated teachers that are experienced and have an average of 16 years of service to our school, giving us stability and consistency. With our parents we have a partnership in education with many opportunities that parents can be involved in through our active PTO organization. Parents are welcomed at OLA.

Throughout the 50 years that students have been educated at OLA we are confident that our tradition to bring out the best in each child has been successful. I hope that you enjoy your visit today and consider OLA as the right place for your child.

Sincerely,

Kathleen R. Tosiello
Principal
